THE LAZY LILY — AN OLD WEST RIVER HOUSE

The Lily is separated from the R.C.R. Corral by a large picnic area with numerous large pecan trees providing shade throughout the day. Seating up to 150 people with a 2,000 square foot deck shaded by a 500-year-old Pecan tree, provides for an additional 50. The Lily sits on the banks of the Cibolo overlooking the lighted river and landing dock for the party barges and nature cruises. Nature trails and wagon trails fan out through the miles of shaded riverfront. Next to the Lily is the one-acre herb and flower garden with gazebo, wishing well, fire pit, and pathway leading to the arbor and platform, which can be used for weddings or a stage for varied activities. The seating capacity around the arbor is 350. The Lily is an all-weather, air conditioned and heated “Jewel of the Old West” and is available for both day and evening events.

ZUEHL'S HALL

The 4,500 square feet Zuehl's Hall is a revival of a local original dance hall and saloon. This banquet facility is reminiscent of an authentic German Dance Hall that accommodates groups of up to 225 guests in air conditioned and heated comfort. An additional 125 guests can be accommodated on the spacious deck and patio of the adjacent Zuehl Haus. The interior provides an antique bar, large stage and dance area enhanced by a dry stack rock fireplace. The open fixed glass provides views of the majestic elm and pecan trees scattered throughout the meadow below where the following amenities are available: Cibolo Gardens, Volleyball, Basketball, Horseshoe and Washer Tossin', Tetherball, and Texas sized playground. This new entertainment area, Buffalo Bend, has creek access for guests to enjoy fishing, river barge rides, nature trails, and soothing waterfalls. The original Zuehl's Hall was built in 1931 after the Zuehl Bros Mercantile Store was burned to the ground during a robbery. This new store was reconstructed across the street and contained the following: general store, bar/pool hall, dance hall, liquor store, gas station and barbershop. The Hermann Sons Lodge held its' meetings in the hall long ago and now we invite your group to hold its' next meeting or private group function in the newly reestablished Zuehl's Hall.

ZUEHL HAUS

Attached to Zuehl's Hall is a quaint and newly remodeled German cottage with a kitchen, sitting room and spacious bedroom. Ranch guests are invited to stay the night. Ranch guests may wish to use the Zuehl Haus as their own private suite before or after their event.
